Man behind WAYTOWEB

Rajesh Jain - Managing Director.

Rajesh Jain is the experienced MD of WAYTOWEB with over 20 years of managing software needs for clients in various industries and locations. He has successfully aided Startups, SMEs, and top companies to meet their development needs within tight deadlines. With extensive expertise in the Ecommerce and POS domains, he has delivered numerous software solutions.

Under his leadership, WAYTOWEB has grown from a 4-member team to over 30+ professionals. He believes in learning from practical experiences and encourages his team to embrace new technologies and the belief that nothing is impossible.

Specialties: End to End Sales, Technology Business Consultation, Client Relationships, Quality v/s Cost, Innovation, 24/7 Customer Support, In-time Quality Deliveries

Words from Our Clients

”

On extremely short notice, BlueOwlCreative came up with the perfect design I previously envisioned for my company. Thank you for the personal touch, understanding and responsiveness to all our needs!
